FOR IMMEDIATE RELEASE

May 17, 2004

Neighborhood Services Department kicks off Neighborhood Court in 2004.

(Chattanooga, TN) – On Tuesday, May 18th, the Neighborhood Services Department of the City of Chattanooga will begin this year's Neighborhood Court program, at the North Chattanooga Recreation Center on 406 May Street.

Cases will be heard by Judge Milligan starting at 6pm until 8 pm. The primary neighborhoods served during this session will be Hill City and Northside neighborhoods.

The proven benefit of the Neighborhood Court program is its mobility, which provides access to neighbors who might otherwise not be able to attend court.

For additional information, please contact Vanessa Jackson, 425-3741.
